

Learn the truth about the Levy Swipe Shell Game

So you think
school funding
Is going up???

Better Think Again...
After 2018,
It will be going down!

The State uses “double taxation” in 2018
to increase Property Taxes by
\$1.1 billion per year...

**But then cuts Local School Funding
By \$1.3 billion per year in 2020.**

The NET LOSS is \$200 million per year
And gets even worse over time!
